Good afternoon,

On Wednesday, September 9, 2020, I made two technical filing errors and I am writing to request a substitution of exhibits 1-73 for the documents shown in dockets #s 37-39 to correct the first error. Likewise, I am requesting the substitution of documents for the Response to the Undisputed Facts and the Brief. Kindly disregard the previously filed exhibits and documents.

Thank you very much.

Ms. Jenkins:

We can update the docket texts for DE #37-39 to indicate "Documents filed in error – Disregard" and then you can file the correct exhibits and link to DE #36. Is that what you're trying to accomplish? I just want to be clear of your intentions.

Thanks.

I have one follow up observation. Docket entry 36, still reads "Response in Support". Is there a way to correct this? My response was in opposition. Thank you!

Sarah

Good Afternoon, Ms. Jenkins.

The docket text was modified as follows:

 36

RESPONSE re [27](#) Motion for Summary Judgment,, filed by Janice Hargrove Warren. (Attachments: # [1](#) Document, # [2](#) Document)(Jenkins, Sarah) Docket text modified on 9/11/2020 to correct description. (kbc) (Entered: 09/10/2020)

This is the standard docketing method for responses in opposition in our district, and it matches the title of the filed document. I apologize if

the notice of docket correction did not clarify this change. If you have any questions, please call me.

Thank you,

Tammy Downs

Chief Deputy
